### A FEW SUGGESTIONS REGARDING TAXES.

Dug Tax payable in one payment at December Collection. Bring or send your last tax receipt, or a complete list of your property, this will be a help to us and avoid errors.

When writing for taxes, stamped envelope should accompany request, and property must be clearly designated as to ownership and location.

Property stands on our books in the name of owner on April 13 1903 for the year.

Taxes delinquent from last June should be paid on or before December 20 to avoid the property being advertised for sale.
